

Maritime History Tour of Hull Village

Date: Saturday, October 3, 2010

Time: 10 am – 12 noon

Fee: \$15 per person

Hull is steeped in maritime history from the ships that first plied the waters of Massachusetts Bay to the lifesavers who rescued the mariners when they got into trouble, to our famous lighthouses guiding ships to safety and much more. Tour leader, Sean Baggett, HLM Board Member and Hull Village resident is also an accomplished photographer and will look for photo opportunities along the way, so bring your camera.

Meeting Location: Corner of Spring Street and Nantasket Avenue in the grass lot next to the Methodist Church

What to Bring: Check the weather and dress appropriately and wear walking shoes. Bring a camera and binoculars if you have them (we will bring a pair of binoculars to share).

Special Note: The museum gift shop will be open after the tour and tour participants receive a 5% discount on all purchases on the day of the tour. This is a great opportunity for early Christmas shopping without going to a large crowded store.

Rain Date: In case of poor weather, the walking tour will be held the following day at the same time.
